ShoreTel hiring 150 in Austin

Austin Business Journal

Internet phone technology and services company **ShoreTel Inc.** (Nasdaq:SHOR) is hiring 150 workers in Austin during the next two years, including 60 in the near-term.

The Sunnyvale, Calif.-based company is currently expanding its 6500 River Place Blvd. office in Austin to accommodate a total 300 workers. The space, opened in August 2008, will house more than 30,000-square feet once fully built out.

A spokesperson said the new jobs will fall in engineering, customer service call center, training and development departments. The company is hosting a ribbon-cutting for the expanded facility Aug. 18 at 1 p.m.
