Have you thought about opening your own daycare? This location was previously used as a daycare and childcare learning center. Property has incredible visibility from Highway 90 and is right off the access road. There is a VIA Bus Stop in front of this building. Easy access to major highways. Conveniently located at the entrance of the Lackland MH Park, which has over 200 homes. This would make a wonderful community center, retail store, bakery, boutique, school, dayhab, office, medical office etc. Upstairs was used as the daycare owner's residence but can be used for business as well. Property is being sold as-is and priced accordingly. Taxes listed are for the entire MH Park and Retail Building. Seller will pay to replat the property for buyer. Preliminary work to have this done has already begun.
