Tobin Hill, San Antonio, TX

This house is one of a kind! You won't find a gem like this in the area. Just minutes away from The Pearl, Trinity University, Incarnate Word University, Brackenridge, The San Antonio Zoo, The San Antonio Museum of Art, The Witte Museum, and a great night scene. A one story home with a front yard and a great backyard located in the heart of Tobin Hill. The home is completely remodeled with new windows, doors, floors, insulation, house frame, electricity, plumbing system, AC, carpets, steel beams, appliances, and a brand new kitchen with quartz countertops! A little anecdote from our time working in this beautiful home: When the construction crew was demolishing the walls, they found an old brick column, it was some kind of chimney of the old kitchen, the designer decided to preserve it and turn it into a decorative element of the project as a tribute to the 100 years of this house, now you can see it from your kitchen and in the shower of the master bathroom. So you will have a piece of history in your own home. Please send all offers to lbotellofaz@gmail.com
