Come step back in time and take a look at this Mid-Century Modern property designed by the skilled and creative architect, Robert S Morris. It is situated on 1.33 acres in Castle Hills. The house is a U shape build with cathedral ceilings and beams in a number of rooms throughout. The owner's suite is very spacious with a corner fireplace and sliding glass door with access to the deck where you can spend time enjoying nature and watching the deer. There is an abundance of natural light flowing through the many large windows and sliding glass doors. The large studio is ideal for the creative artist or perfect for someone working from home with a corner fireplace, full bath, wet bar and separate entrance.
