A Seidel Sub Ncb 3133, San Antonio, TX

Less than 10 minutes from the historic Riverwalk in San Antonio, on the quiet side of Government Hill, lies a massive, newly remodeled, 2100 sqft, 2 bed, 2 bathroom home with a beautiful lush backyard. As you walk through front door, you'll be welcomed with natural sunlight from the floor to ceiling windows, with a great view out the back. And if the view doesn't warm your heart, perhaps the electric fireplace will. Fix yourself or a guest a drink at the wet bar with new granite countertops & custom cabinetry. You won't ever feel like a guest in the guest bathroom as it includes a glass shower with seating, jetted tub, & beautiful yet simple single vanity. The kitchen has a serving window, plenty of cabinet space, granite countertops, and a new oven/stove. 2nd living area leads to the upstairs bedroom with a sweet outdoor balcony. The master bedroom has tall ceilings, new carpeting, & a deep walk-in closet. And the master bath has a new commode, bathtub, faucet, granite countertops, and a built in cabinets. Air BNB friendly & hopefully the Spurs fans are too because the stadium is less than a 10 minute drive. GO MAVS!
