MULTIPLE OFFERS. SUBMIT YOUR BEST AND FINAL OFFER BY 4PM ON TUESDAY, SEPTEMBER 7, 2021. If you're looking for a home with a big back yard, this is it! You've got plenty of room to build a swimming pool, assemble a playground AND build a shed. To top it off, there is a wide greenbelt behind the entire back fence. That means more privacy because your backyard neighbors are not immediately on the other side of the fence. This beautiful new single-story home features an open concept in the main living area with a split floor plan so your master doorway is not immediately next to the other two bedrooms. The kitchen is complete with marble countertops (including a breakfast bar), beautiful wood cabinets, and an energy efficient refrigerator. Special note: All of the carpet will be removed and replaced with new carpet. Cleaning crew is scheduled to come in to do a deep cleaning throughout the house.
