Lake Bastrop Estates Un 1, Bastrop, TX

Great layout on this 3/2 hybrid type home with traditional building and manufactured section. Huge screened-in 2 story attached porch conveniently connects the workshop and the house. The storage building/workshop is approx 600 sq ft and has double doors leading to concrete driveway as well as side entry door to porch. Home is well cared for and has newer metal roof, private backyard with perimeter trees and plenty of shade. This is a nice remodel and ready to move in.

Built in 1998
