Residential on 2.00 Acres

Hilltop Place Sec 1, Wimberley, TX

If you've been thinking about owning a cabin hanging on the side of a wide canyon with views to the other side; but you didn't want to give up the modern comforts, or quick access to town, or even the possibility of doing vacation rentals, you might want to see if this is the right fit for you. Small but comfortable, sunrise shade on the porch with coffee, toast the sunset in the evening as it drops behind the far canyon wall. Reserve most of the time for yourself, though, because this is a wonderful place for a great weekend, or to call home.

Built in 2010
