Welcome to your quiet hill country neighborhood, close to all conveniences, but with a faraway country feel. This home offers a spacious open plan with 3 bedrooms and a bonus room. The cathedral ceilings in most rooms make it feel even more spacious. The living room has an inviting fireplace with raised hearth. The adjoining open kitchen with granite countertops will encourage a gourmet feast every day of the week. This home is great for entertaining with a large, private backyard, a covered patio off the dining area and picture windows where you can watch the hummingbirds feast. A joy to behold in a peaceful surround. There is plenty of space to build a pool or install a playscape.
