Farm on 20.15 Acres

Kingsland Ranch, Kingsland, TX

Occupying over 20 acres in beautiful Kingsland, it is truly a world of its own. The Serene Getaway on Lake LBJ was conceived and created as a homestead with the intention to fulfill a number of different purposes: as an escape for friends and family to unite and enjoy; as a place one can truly return to their roots and embrace the beauty of nature, all while being just an hour from Austin, Texas.

The gated entry welcomes you to a lush and wild topography, guarded by the three donkeys, Faith, Finn, and Lilly. The upper parcel is filled with wildflowers, a picturesque pond that turns into a winding creek throughout the property. As you enter the secondary parcel, you are met with a beautiful open field perfect for the equine enthusiast or the perfect homesite for your next home. You also have an expansive pole barn that could be kept as-is for gatherings or transformed into a beautiful barn. The property features a two-bedroom, one-bath, charming farmhouse with modern finishes throughout. Sit from your front porch and watch the deer frolic and your animals graze.

Relax, hike, fish, or marvel at the beauty of nature. Richness and fulfillment in life, well-being, and meaning are all found at the Serene Getaway on Lake LBJ, a place you must experience in person to understand.
