\$3,995,000

3 Bedroom, 2.00 Bathroom, 9,797 sqft
Farm on 76.08 Acres

Wilbarger, Josiah, Bastrop, TX

The 10-7 Ranch in Bastrop, just east of Austin, is a private and well designed retreat from the big city but close enough to enjoy it all, if desired. Conveniently located on FM 969, it is only 21 miles to Austin Bergstrom International Airport, 19 miles to the Tesla Factory and just 7 miles to the HEB in Bastrop.

Built in 2013, this 3 bedroom/2 bath custom home features a large kitchen open to the living and dining rooms, and overlooks the back patio, swimming pool and fenced-in yard. This lovely one story home has gorgeous stonework, faux wood beamed ceilings, tile floors throughout, custom built-ins, surround sound, a security system, and attached 2 car garage.

The large barndominium has three sections (two of which are air-conditioned), a full bathroom, roll-up doors, and enough storage for 8 cars and an RV (with 50 amp hook-up).

The property has a wildlife exemption in place to benefit the abundant wildlife and keep the taxes low.

While the 10-7 Ranch is perfect as a personal ranch or residence, it also has excellent potential for commercial or industrial development since there is no zoning and could be subdivided. The property line extends to the west side of Barton Road, so any division or development could utilize that road

for access instead of FM 969. Public water runs along the front of the property.

Built in 2013
