Massive makeover in the past 18 months. New shingles, Floors, stainless appliances, most light fixtures/fans, pop corn removed and more. Vaulted ceilings in main living areas. Hard tile everywhere but bedrooms. Indoor utility room. Large Master w/ room for sitting/study. Two of the largest/nicest Oak Trees in the whole neighborhood. Really cool cabana can be used as office, guest room, studio, gameroom, whatever. It is insulated & has it's own A/C, vaulted ceilings, outlet added for big screen, and small closet. Neat!!
