Residential

WYNNBROOK, Schertz, TX

WOW!!! This home has SO MUCH to offer. Beautiful curb appeal as soon as you pull up. The house features an open and highly desirable floor plan. The master bedroom is downstairs and has a wonderful bathroom with dual vanity, walk in closet, and separate tub and upgraded tile shower. The floorplan also features a kitchen that opens up to the living room and eating area, big game room upstairs, and a cool flex space up front that can be used as an office, formal dining, or additional living space. The living room has gorgeous flooring and a brick fireplace. The back yard has a large covered patio space with mature trees and the home sits on a cul-de-sac. So much to love about this home. MUST SEE!!!!

Built in 2003
