Timbers Condo, Austin, TX

Charming condo, corner unit - great location inside the loop and just a few minutes south of downtown. Updated kitchen and bathroom with new Silestone counter tops and tile; freshly painted. Tile and wood vinyl plank flooring.

The gated complex has only 40 units and no through traffic. Cap Metro bus stop is right outside the gate. The complex is well landscaped and cared for. Nice swimming pool that is partially shaded.

Built in 1981
