Valley View Acres Rev, Austin, TX

Have large parties or gatherings in this HUGE backyard. All your guests have plenty of room to park in the circular drive or around the corner on this corner lot. Visit by the BBQ or hangout under a fan on the long covered porch. There is plenty of room for lots of cooks in the large kitchen and you can keep an eye on the little ones from all the windows looking over the backyard. If your family gets bigger, building a 2nd story could yield hill country views. There is even RV or Boat parking out back.
